**REISSUE DECLARATION OF EUGENE NOVIN AND DAVID A. LOWRY**  
**UNDER 37 C.F.R. § 1.175(a)**

We, **Eugene Novin** and **David A. Lowry**, hereby declare and state as follows:

1. We believe we are the original, first and joint inventors of the subject matter which is claimed in U.S. Patent Number 6,347,433 (the '433 patent), granted February 19, 2002, and for which we solicit a reissue patent, an application for which is attached.
2. We hereby state that we have reviewed and understand the contents of the '433 patent, including the claims, as amended by the Preliminary Amendment filed herewith.
3. We acknowledge the duty to disclose information which is material to patentability in accordance with Title 37, Code of Federal Regulations, Section 1.56.
4. We believe the '433 patent is wholly or partially inoperative or invalid, by reason of the patentee claiming less than he had the right to claim in the patent. At least one excess or insufficiency in the claim is specified below.

5. One error was the failure to present a claim having the scope of amended claim 1 of the Preliminary Amendment, which is broader in scope than any of the originally issued claims. Applicant hereby indicates its intent to broaden the claim in this reissue application.

6. Support for the amendment to claim 1 resides in the originally filed claims.

7. All errors sought to be corrected in this reissue application up to the time of filing this declaration arose without any deceptive intention on our part.

8. We have assigned the '433 patent to Cema Technologies, Inc. A Statement Under 37 C.F.R. 3.73(b) is being filed herewith.

10. We hereby appoint the registered attorneys and agents associated with Akin, Gump, Strauss, Hauer & Feld, L.L.P., Customer No. 000570, as our attorneys or agents with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

11. Address all correspondence to **Customer No. 000570, namely, Akin, Gump, Strauss, Hauer & Feld, L.L.P.**, One Commerce Square, 2005 Market Street, Suite 2200, Philadelphia, Pennsylvania 19103-7086. Please direct all communications and telephone calls to **Martin G. Belisario** at **(215) 965-1303**.

**WE HEREBY DECLARE** that all statements made herein of our own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
